

PrePass Fact Sheet

North Dakota has been part of the PrePass system since 2017 and currently has PrePass deployed at 13 sites. Across North Dakota and the nation, PrePass helps facilitate freight movement by allowing prequalified trucks to be electronically screened and then safely bypass weigh stations at highway speeds.

PrePass is a service offered by PrePass Safety Alliance, formerly HELP Inc., a public private partnership (P3) established in 1993 between states and the trucking industry. The Alliance is the nation's only non-profit P3 established specifically to promote safety and efficiency in commercial transportation. Since 1993, the Alliance has invested over \$850 million nationally to provide PrePass.

PrePass by the numbers

North Dakota benefits since 2017

1811 hours saved

8762 gallons of fuel saved

2³ metric tons of emissions reductions

\$832,256 invested in infrastructure & maintenance

2,189 successful bypasses using PrePass

\$19,001⁴ operational cost savings

National statistics since 1997

981,433,803 successful bypasses using PrePass

\$7,535,123,369⁴ operational cost savings

81,785,8611 hours saved

392,573,5212 gallons of fuel saved

866,586⁵ metric tons of emissions reductions

Numbers as of August 31, 2021. ¹Based on a minimum of 5 minutes saved per screening bypass; ²Based on .4 gallons per pull-in; ³Equivalent to removing -- passenger vehicles from the road through August 2021 per US EPA estimates; ⁴Benefits based on studies by the lowa State University Center for Transportation Research and Education and the FMCSA; ⁵Equivalent to removing 154,472 passenger vehicles from the road through August 2021 per US EPA estimates

To qualify for PrePass, PrePass Safety Alliance electronically reviews carriers' safety and credential eligibility using data from over 100 federal, state and provincial databases, including the Federal Motor Carrier Safety Administration. Each state determines pull-in rates for PrePass equipped vehicles based on a carrier's Inspection Selection System (ISS) score or other state specific criteria.
